Mainly a wild garden with large areas of nettles with beds in places. Many varieties of willow; cuttings available of some on demand. No dogs or small children please, to avoid disturbance to game - bantams and ducks. If wet, gum boots required.

This is an ideal time for planting and members are asked to bring along any surplus plants for the plantsales table.

ANNUAL GENERATION MEETING

Saturday, 4th November at 2.30 p.m. Once again Mrs. B.M. Wolton (Tel. No. Sicklesmere 231) has invited the Group to her house, Gt. Whelnetham Hall, for this Meeting. After the usual business has been dealt with Mr. Ken Aslet, who is Superintendent of the Rock Garden Department of the Royal Horticultural Society's Gardens will give a talk on "The WISLEY Gardens".

Once again you are asked to bring a contribution in kind for tea.

If you hope to attend these Meetings, kindly sign and return the attached slips to the Secretary. This is very important and if many more turn up than intended to do so, it causes considerable embarrassment to our Hosts. If, therefore, you cannot make it please telephone the hosts or send a post card to the Secretary.

Seed Distribution. Members are asked to bring along any seeds which they have collected to either of these Meetings for distribution. A list of available seeds will be issued with the next Newsheet.

I/we hope to attend the Meeting at Fuller's Mill on 8th October.

Signed.
