Programme - Summer 1976

1. Saturday 12th June at 3.00 p.m. Visit to Mrs. Stella Craven's garden, Mill Cottage, Cavendish, Nr. Clare. This is a landscaped garden with many interesting features, including a wide stream which forms the boundary. Take the A1092 Clare to Cavendish road and look for the EAGG sign. There will be a plant stall. Mrs. L. Dennis of Chilton Hall, Hundon, Nr. Clare, has kindly agreed to having tea at her house, and members are asked to bring a contribution in kind for tea.
2. Saturday 19th June at 3.00 p.m. The venue will be Hyde Hall, Rettenden, Chelmsford, Essex, by the kind invitation of Mr. R.H.M. Robinson. This is a large garden which was started in 1959. The shrub roses should be at their best at this time. Needless to say there are many other items of interest, including a bog garden and late irises. Take the A130 Chelmsford to Southend road until you reach the Rettenden sign. Turn left at the Bell public house, i.e. the East Hanningfield road and then first right - Buckhatch Lane, leading to Bicknacre and Hyde Hall is on the right. Tea will be available for which there will be a charge, and whilst there is no charge for admission to these lovely gardens there will be a collecting box - the proceeds will go to charity. There will be no plant stall on this occasion but Mr. Robinson runs a plant sales stall.

Sorry that these two meetings are so close together, but it cannot be helped.

3. Sunday 18th July at 3.00 p.m. Lady Bacon has invited members to see her garden at Raveningham Hall, Norfolk. It is hoped that by this time some of her lilies will be blooming, as well as many other things. Travel via the Norwich to Loddon road (A146). There will be no plant stall but members are asked to bring a contribution in kind for tea.
4. Saturday 11th September at 3.00 p.m. Miss Jenny Robinson is pleased to invite members to her garden at Chequers, Boxford, and as we have visited this garden so many times before it needs no introduction. For the benefit of new members, however, Chequers is in the centre of Boxford and opposite the Church. The first of the colchicums should be through by this time but no doubt there will be very many other interesting plants to see. There will be a plant stall and members are once again asked to bring a contribution in kind for tea.

I/we hope to attend the following meetings of the East Anglian Garden Group:-
