PROGRAMME FOR AUTUMN 1983

- a) SATURDAY 17th SEPTEMBER 3.00 p.m.
ALBERT AND VERA PASK, "ZAVIA", SHARPES LANE, HORRINGER, BURY ST. EDMUNDS

The garden was started soon after the war, in fact three or four years before the house was built. The site was a wilderness, not having been cultivated for about 10 years. Apart from the oak tree in the corner, an old plum (now completely covered by honeysuckle), a Victoria Plum and a Greengage, everything has been planted by us. We do not specialise in anything in particular, and it is a case of collecting anything and everything in order to give something of interest throughout the year.

We are three miles from Bury St. Edmunds. Take the A143 Bury to Haverhill Road, carry on through the village, past the Six Bells Public House on the left and the Bee Hive Public House on the right until you reach the sign post directing you to Whepstead. This turning to the left is Sharpes Lane, and we are approximately 200 yards on the right. There is ample parking on Sharpes Green opposite. If travelling from the Haverhill direction, Sharpes Lane is the first turning to the right after passing the Horringer Village notice.

Please bring contributions for both the Plant and Tea stalls.

- b) SATURDAY, 15TH OCTOBER, 2.30 P.M. IN THE OLD CHAPEL, GUILDHALL, LAVENHAM

Mr. C.D.Brickell, Director of the Royal Horticultural Society's Garden, Wisley, Woking, Surrey, will speak and show slides on "Unusual Plants for the Garden".

There will be a Plant Stall. Please bring contributions for this and also for tea.

- c) SATURDAY 5TH NOVEMBER, 2.30 P.M., IN THE OLD CHAPEL, GUILDHALL, LAVENHAM.

ANNUAL GENERAL MEETING. This will be followed by a lecture on "Mediterranean Plants" given by Mr. Martin Sands, Botanist at the Herbarium, The Royal Botanic Gardens at Kew.

Please bring contributions for both the Plant Stall and Tea stall.

I/We hope to attend the following meetings
